

HAZARDOUS HOUSEHOLD PRODUCTS

Symbols & Categories:

POISON

If you swallow, lick, or in some cases, breathe in the chemical, you could become very sick or die.

FLAMMABLE

The product or its fumes will catch fire easily if it is near heat, flames, or sparks.

EXPLOSIVE

The container can explode if heated or punctured. Flying pieces of metal or plastic from the container can cause serious injury, especially to your eyes.

CORROSIVE

The product can burn your skin or eyes. If swallowed, it can damage your throat and stomach.
