

ACTIVITIES FOR VIDEOS

I. Have Students Take Notes from Video

Things I know	Things I learned
<p>*Have students take 10-15 points from the video. Points must be: (1) something that was mentioned in the video, (2) more than one word, and (3) must also make sense. Also, number of points is cumulative between both columns.</p>	

II. Have Students Reflect on the Video

Students can reflect on the video by answering the following, open-ended prompts:

- (1) What I just saw reminds me of <a topic in another class> because <provide explanation>...
- (2) What I just saw reminds me of <the time when I> because <provide explanation>...
- (3) What I just saw reminds me of the future because <provide explanation>...
